Black Gangs: Evolution, Influence & Mindset

Date: August 28, 2015

Time: 0800-1700

“From the West Coast Gang Explosion in the 1980’s and 90’s to the Infiltration of the Rap Industry, the Evolution and Influence of Black Gangs has plagued California with Violent Crime and Public Fear.”

COURSE DESCRIPTION:

This course eight (8) hour course will examine the black gang migration to the West Coast and early social clubs, which later became street gangs. This course will begin with an historical account of how the founders of the Crips and Bloods evolved and recruited black street gangs. The examination of how black prison inmates formed the Black Guerilla Family (BGF) Prison Gang in the 1960’s to how the BGF operates and influences black street gangs today will also be presented.

STC Certification
Pending!!

The course will also focus on the Black Street Gang identification, structure, symbols, tattoos, as well as the crack cocaine and the music industry connection. Innovative investigative techniques and strategies to combat the crime trends will also be discussed.

COURSE TOPICS:

- History & Structure
- Crack Cocaine Explosion
- Symbols & Tattoos
- Investigative Strategies
